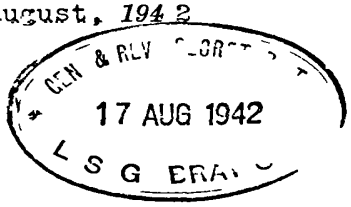
OFFICE OF THE PRESIDENT
CITY MUNICIPAL COUNCIL MYSORE

Date 8th August, 1942



From

B S RAGHAVENDRA RAO Esq, M A (Hons)
PRESIDENT, CITY MUNICIPAL COUNCIL
MYSORE

Mk 142-42-4

To

C NARAYANASWAMY NAIDU, ESQ, B A, B L,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Law Department, Bangalore

Sir,

I have the honour to state that while scrutinising the action taken on the several resolutions passed by the Municipal Council from the date of its reconstitution, it was found from this office registers that the enclosed resolution No 367 dated 29-11-41 regarding doing away with nomination, does not appear to have been submitted to Government for orders The then Council Clerk was sickly and the work in the Section was very heavy and particularly heavy during that period In fact the official partly due to heavy work has had since to go on furlough to recoup his health In this connection, I also enclose herein for your information an extract of my reply to an interpellation and I also enclose a copy of the note referred to therein from which it will be seen that while the Revenue of the munty has increased between 25-26 to 1941-42 from Rs 4,74,944/- to Rs 9,27,205 and while the number of subjects, interpellations, resolutions have increased from 384 to 1061, the staff dealing with all this work in the Head Office remains stationery Resolutions have increased from 5 to 115 and interpellations from 2 to 35

2 In addition to this, numerous Sub-Committees have also been formed and are functioning The question of increasing the strength of the Council Section is therefore engaging my attention The delay in submitting the above resolution to Government partly due to want of Staff is regretted and orders of Government in the matter are solicited

solicited

I have the honour to be,

Sir,

Your most obedient servant,

B Narasavendar R.

PRESIDENT

what is was and the expenditure is keeping pace with it The subjects put up in the Council for discussion is more than double and resolutions and interpellations even very much more, while the Staff of the Head Office which stood at 11 in the Head Office in 1925-26 is now still 11 This is very inadequate and it is being found increasing difficulties to cope up with the work There is also no separate assistant to get through this vast increase of work in the Head Office The number of Sub Committee and their meetings has increased We shall therefore have to take up the question of increasing the strength of the Head Office immediately, if these are all to be dealt with promptly and satisfactorily

Mr T Narasimha Iyengar A fuller statement of resolutions may be got prepared and placed before the Council

President The statement now prepared is quite full and is based on the Resolution Book If there are any omissions or corrections they may kindly be pointed out

Mr T Narasimha Iyengar The Resolution regarding the Social Service Committee was sent to Government and they wanted some particulars and they were furnished The Resolution is still pending before Government, But this is shown only in list 'B' and not under list 'A'

President YES This may be shown in list 'A' as pending with Government

Mr T Narasimha Iyengar You have said that no reminders hav been sent W h y?

President After all these are all pending only for three months This period is not I think long at all for Governmen They may have to send it to the Departmental Officers concerned, obtain legal opinion where necessary &c , and there are so many things to be examined before final orders are passed by Government

Mr T Narasimha Iyengar Will you please make a list of all the resolutions that are pending before Government and request them to expedite orders?

Proposal to increase the staff of the Municipal Head Office

======

The marginally noted statements are herewith appended for the information of the Municipal Council

1	Comparative statement of Receipts under Assessed Taxes from the year 1925-26 to 1941-42
2	Comparative statement of Receipts and Expenditure for the same period
3	Statement showing the number of sub-jects, resolutions and interpellations transacted from the year 1933-34 to 1941-42 with the information for the year 1925-26
4	Statement showing the Ministerial establishment of the Head Office as it stood in 1925-26 and 1941-42

It is seen from the statement No (1) that the Assessed Taxes was Rs 267 000 in 1925-26 Rs 3,54,771 in 1929-30, Rs 4,47,049 in 1934-35 and Rs 6,71,085 in 1941-42 The income and expenditure was Rs 4,75,000 and Rs.4,36,000, - respectively, in the year 1925-26 and Rs 9,21,000 and Rs 8,71,000 in 1941-42 The income and expenditure have thus more than doubled in the course of 17 years

Statement No(3) speaks to the fact that the number of subjects, Resolutions and Interpellations have likewise increased, year by year and particularly during the last 1½ years The number of subjects, resolutions and -- interpellations which came up for consideration of the Municipal Council during the year 1925-26, were 377, 5 and 2 respectively, while they were 911, 115 and 35 respectively in the year 1941-42

As per statement No (4), the Ministerial Staff of the Head Office is the same as it was in the year 1925-26, viz , 11 hands

While the amount of work in all directions has very much increased, and obviously the Head Office has to deal with the considerable additional work due to this increase in receipts and expenditure and correspondence, the strength of the office remains the same Eversince the reconstitution ofthe present Municipal Council, 10 Sub-Committees in addition to the usual Executive and Consultative Committees have been formed for formulating measures on several important and urgent subjects pertaining to the Municipal Administration It is found by experience that

that it has become very difficult of late to get on ~~which~~ the work in the Head Office with the existing staff, especially in the Council or General Section, which has to deal with almost all the correspondence with Government in addition to other-matters to be-dealt-with in-that Section In consequence, much additional work has devolved on the President as well

I shall therefore be putting up proposals for strengthening our Establishment at the next meeting
